

# VEGETABLES, SPRAY DRIED & CONTINUOUS VACUUM DRIED

INNOVATIONS THAT REVOLUTIONIZE

## Vegetables, Spray Dried

*Asia is blessed with a natural abundance and wide variety of plants and vegetables. Japanese mushrooms and Shiitake mushrooms, in particular, are famous the world over.*

*For garden fresh flavors, aromas and innovations, come to Nikken. We specialize in flavors with a natural advantage.*

### Mushroom Extract Powder (2103)

An extract of Champignon Mushroom (*Agaricus Bisporus*) is blended with salt and spray-dried on a maltodextrin carrier. Dark brown in solution, it provides a mild mushroom aroma with a full, clean, non-earthly flavor.

### Shiitake Powder (2106)

Dried Shiitake Mushroom (*Lentinus Edodes*) heads and stems, ground to a fine powder. Medium-brown color when in solution, imparts a smoky, woody mushroom flavor.

### Shiitake Extract Powder (2111)

Extract of dried Shiitake Mushroom stems and heads. Spray-dried on a maltodextrin carrier. Provides a smoky, woody flavor.

### Vegetable Extract Powder (2300)

Extract of Chinese Cabbage (*Brassica Pekinensis*) spray-dried on a maltodextrin carrier. A golden color in solution, it has a mild aroma and flavor.

## Vegetables, Continuous Vacuum Dried

*Nikken Foods is one of the few food companies in the world that has perfected the technique of producing Continuous Vacuum Dried (CVD) flavors and flavor bases.*

*When it comes to CVD, Nikken provides you with innovations that revolutionize the production of flavors with a natural advantage.*
